GALLARDO ROAD SHOW. BEAUTY UNFOLDS.

Some people admire beauty. Others long to possess it. The Gallardo Road Show puts you face-to-face with beauty in its rarest form: the Gallardo Spyder, a vehicle so powerful and so elegant, it is both worthy of your admiration and deserving of your control.

On any road, the Gallardo Spyder is a ballet of moving components. As the convertible top gracefully retracts, the sky is revealed and daylight is yours. Then, with one flex of the throttle, its powerful 5.0-liter V10 engine erupts into a soul-stirring fury, transforming the vehicle into a natural phenomenon.

The opportunity to harness both the power and beauty of this exquisite machine is within your reach. Exclusive test-drive opportunities of the Gallardo Spyder, as well as the Gallardo coupé, are now yours to enjoy ... and to command. Please join us for a driving experience like no other, and see what happens when beauty unfolds.

Space is limited; RSVP now to guarantee your test-drive experience.
